

1

The screenshot shows a Microsoft PowerPoint presentation window. The ribbon at the top has the 'Format imagine' tab selected. In the 'Ajustare' group, the 'Elimina fundal' button is highlighted with a hand cursor. The main area of the slide displays a photograph of a dam, wind turbines, and solar panels. The slide navigation pane on the left shows five slides numbered 1 to 5. The taskbar at the bottom includes icons for File Explorer, Edge browser, and various Microsoft applications.

The screenshot shows a Microsoft PowerPoint presentation in progress. The slide content features a photograph of a wind turbine in a mountainous area with a dam and water in the foreground. A white callout bubble with a yellow arrow points to the top of the wind turbine's blades. The slide number is 5 of 5. The ribbon at the top has the 'Format imagine' tab selected. On the left, a vertical list of slide thumbnails shows five slides. The bottom of the screen displays the Windows taskbar with various pinned icons and the Folge.me application icon.
